FAIRMARKET HEALTH

PLAN SPONSOR OVERVIEW

Let your plan members buy care directly from top local doctors.

Fair Market Health is a healthcare marketplace that works alongside your existing carrier and network. Members see one all-inclusive price before they book, and your plan pays less.

35%	300%+	95%	$0
average savings vs. insurance networks	typical return on investment	of employers renew each year	fixed PEPM or PMPM fees

WHY PLAN SPONSORS CHOOSE FAIR MARKET HEALTH

Key benefits

- No changes to carrier, network, or vendors
- $0 out-of-pocket plan designs supported
- No fixed fees or implementation costs
- No long-term contract; cancel at any time
- Launch ready in less than 3 days

Currently serving

- Self-funded private and public-sector employer plan sponsors
- Taft-Hartley / jointly administered health and welfare funds
- Union-sponsored health plans
- Partnering with TPAs, navigators, and advanced primary care orgs

HOW IT WORKS

1 Members search
Trusted local doctors and facilities, with one all-inclusive price.

2 Members choose
The price is paid up front, often $0 out of pocket for the member.

3 Care happens
No surprise bills and no prior authorizations for most services.

4 You see the savings
Utilization and savings reporting, typically quarterly.

WHAT MEMBERS CAN BUY

Everyday care

- Labs and imaging
- Mental and behavioral health
- Weight loss, metabolic health, and sleep
- Gastroenterology and physical therapy

Big-ticket procedures

- Musculoskeletal
- Cardiovascular and ENT
- General surgery and bariatrics
- Cancer and infusions

Getting started is simple. We need a signed agreement, a copy of your SPD, and an eligibility source. Ask about a free savings analysis using your claims file, or a free proximity analysis using a member ZIP code file.
